Hello, I just bought a 1977 Terry Travel Trailer. It needs some care and some replacement windows. I've searched the internet for manuals but haven't had any luck. Does anyone know where I could find one. I'm brand new to RV's and the manual would help. Its not in bad shape but I would like to fix it up before it gets cold.

The trailer parts are called out by standing at the rear of the trailer looking toward the hitch. The trailer frame parts are labeled. Do not tighten any nuts and bolts until the entire trailer is assembled. Installing the plywood deck, which you must supply, is the last step after tightening all the nuts and bolts.

So this post is 5 years old, but if you're still around, my wife and I picked up a '72 Nomad that has a bunch of manuals for the Dometic fridge, Coleman stove and a few basic Camper owner's manuals. In talking with some RV gurus, there aren't many standard, full-on, trailer hitch to tail light manuals in existence; Each one was a little ...

1965 Fully Restored Kit Companion Camper 15 and a half feet from bumper to front of hitch , 12 and a half box. I replaced the back wall and paneling and repainted the trailer in and out. I tried to keep it as original as I could on the inside and out. It is a sweet little camper. I made new cushions through out the trailer and new curtains.
