[Cara Cleaning Printer Epson agar printer tetap terawat](#)

But then Canon started to make printers that required opaque cartridges, and started to do multiple color cartridges. And the prices for ink went way up. So I tried this Epson. I like the way the multiple tanks fill, the cost of the ink, and the fact that they give you a TON of ink to start with. Text and photo prints are excellent! The printer responds quickly to a Print command, and prints ...
