[Crawl Space](#)

A crawl space is an unoccupied, unfinished, narrow space within a

Download Free Crawl Space

building, between the ground and the first (or ground) floor. The crawl space is so named because there is typically only enough room to crawl rather than stand;

Download Free Crawl Space

anything larger than about 1 to 1.5 metres (3 ft 3 in to 4 ft 11 in) would tend to be considered a basement.
