A New South Wales man had a close encounter with a venomous red-bellied black snake after he discovered it hiding behind the rear seats of his vehicle. After spotting the tail of the snake, the man called local snake catcher Jack Hogan, who subsequently rescued the snake before releasing it back into the wild. Hogan, who filmed footage of the capture and shared it on Facebook on December 27 ...

That's what banners are for, telling stories visually. Erwin Kho shows a story of a futuristic environment that he created. It's more interesting to look at something you can interpret, like a scene, than it is to look at a flat piece of work with no meaning. 12. Be proud. Show what you've been doing. Be proud of what you do and show it off, plus it makes for regular updates once you ...

Outside the city-council offices in Kyiv's Obolon district, Andriy Biletsky was about to give a speech. It was a spring day in 2019, and volunteers from Biletsky's far-right group, the Azov movement, were idling in the sunshine next to the gloomy Soviet-era building, while others milled about in the shade of the birch and linden trees of a nearby park, almost outnumbering the audience members.

Carrying Black Lives Matter banners, the protesters shouted, "We want the truth". They believed this was another case of racial profiling by the police, in which the victim, who was identified as Ibrahima B, ended up paying with his life. The protests were the latest signs of frustrations over longstanding allegations of police brutality and discrimination against minorities and people of ...
