[Tribal Leadership Leveraging Natural Groups](#)

Tribal Leadership. Organizations are a collection of small towns wrapped into a bigger city. Each small town is full of people from slackers to sherifs. While the people in the towns are different, the roles are similar. In their book, Tribal Leadership: Leveraging Natural Groups to Build a Thriving Organization, Dave Logan, John King, and Halee Fischer-Wright, call these small towns tribes ...

More generally, researchers Stephen Cornell and Joseph P. Kalt (2000) found that strong and culturally appropriate tribal leadership is associated with higher employment rates. In their analysis, tribes governed by a chief executive or a legislature, typically a parliamentary tribal council, had better employment outcomes than tribes governed by a general council. The researchers also found ...
